

Bin markers — dashes

Settings → Bin Openness → Marker strips → *Dashes*. A row of equal dashes with nothing encoded in it. Opens once 6 dashes are clear of the counter edge, on the default *Thin* row height; *Tall* wants twice the printed height and opens on 5, *Hairline* half of it and opens on 7. Print at 100%, no fit-to-page, matte stock, and cut on the dashed line.
